Instructions for Form D-40 and for Schedules A, B, and H

ISTRICT INCOME AX HIGHLIGHTS

The District of Columbia Individual, Estates at Trusts Conformity Tax Act of 1982 (D.C. aw 4-118) became law on June 11, 1982 and effective for years beginning after ecember 31, 1981. This law increased conmity between the District and the Federal dividual Income Tax. Some additional langes have been made for the current tax ar because of Federal law changes. Two the most significant changes affect the edical deduction and the Casulity and Theft as deduction for those taxpayers who elect itemize their deductions.

Several changes went into effect last ear. Some of the more important changes are the Zero Bracket Amount for those taxiyers who do not itemize their deductions; e new Tax Table; and the adjustment to oss income for contributions to Individual atirement accounts, such as Keogh, IRA and milar plans.

A number of problems occurred during the 1st tax year, as a result of the first year of ederal conformity. Some taxpayers claiming credit for Child and Dependent Care Exposes entered the amount claimed on their ederal return rather than 30 percent of this nount. Some taxpayers who claimed a edit for taxes paid to another State failed attach a copy of the other State return. The taxpayers erroneously claimed deductions for both the Zero Bracket Amount and emized deductions.

Read carefully the instructions contained thin this booklet before preparing your strict return. You should complete your ederal return before preparing your District turn.

ajor Differences Between ederal and District Tax Laws:

- The District personal exemption reains at \$750.
- Income averaging is not permitted on e District return.
- The Federal Marital Deduction is not owed, since the District tax rates do not sult in a marriage penalty.
- Rental income from real or personal prorty in the District is subject to the District incorporated Business Franchise Tax if the ass income exceeds \$12,000 during the ar. This is true whether or not services in inection with the rental(s) are performed. • the instructions for Form D-30. District

Unincorporated Business Franchise Tax Return for further information.

● For years beginning after December 31, 1981, a Sub-Chapter S Corporation is required to file an Unincorporated Business Franchise Tax Return if its gross income is \$12,000 or more. If the corporation's gross income is less than \$12,000, a D-65 Partnership Return must be filed.

GENERAL INSTRUCTIONS

Please use the mailing label on the forms sent to you. If you did not receive forms with a label, print or type your name, address and social security number in the space provided. If you do not require that a booklet be mailed to you next year, please check the box provided on the front page of Form D-40 and you will receive only a label to be attached to your 1984 return. Requesting that forms not be mailed reduces government costs.

Married taxpayers who file separately on one form should use Column A for the husband and Column B for the wife. Taxpayers who are single, head of household, married filing jointly or married and spouse is filing on a separate form must use Column B.

Married taxpayers who file jointly or separately on one form, must show the Social Security numbers in the same order that they show their first names on the return. If you are married and filing on a separate form, enter your spouse's name and social security number in the space provided next to Filing Status D.

District law requires that your Social Security number be entered in the space provided. Your Social Security number is necessary for proper identification of your account with the District and will be used only for tax administration purposes.

The instructions in this booklet generally assume that you are filing a Federal tax return and instruct you to enter certain items or amounts from your Federal return on your District return. If you are not required to file a Federal return, you should enter items or amounts as if you were required to file a Federal return.

Who Must File a Tax Return

File a Form D-40 if your income exceeds the following amounts:

- \$2,500 for married persons filing jointly; or
 - \$1,750 for single persons; or
- \$1,250 for married persons filing separately (\$750, if either spouse itemizes deductions);

and (1) You maintained a permanent home (domicile) in the District at any time during the taxable year; or (2) You maintained a place of

abode (lived) in the District for an aggregate of 183 days or more during the taxable year. If the requirements of (1) or (2) are met for less than the full year, you must file a part-year return.

Note: If you do not meet the income requirements, but you are a resident of the District, you should file Form D-40 to request a refund of tax withheld.

Who is Not Required to File a Return

Do not file a return if you were:

- A nonresident of the District.
- Single and received less than \$1,750 gross income during the taxable year.
- Married and filing jointly, and you received less than \$2,500 gross income during the taxable year.
- Married and filing separately, and you received less than \$1,250 in gross income during the taxable year.
- An elective officer of the U.S. Government, unless domicited in the District.
- An employee on the personal staff of an elected officer in the legislative branch of the U.S. Government and both you and the elected officer are bona fide residents of the same State.
- An officer of the executive branch of the U.S. Government appointed by the President of the United States, subject to confirmation by the Senate of the United States, and whose tenure of office is at the pleasure of the President, unless you were domiciled within the District at any time during the taxable year.
- A Justice of the Supreme Court of the United States not domiciled within the District at any time during the taxable year.

Note: If you are a nonresident who is not required to file a District return and District tax was withheld from your wages, use Form D-40B to claim a refund. Form D-40B may also be used to request a ruling with respect to liability for District income tax. To request a Form D-40B, see page 3 of instructions, on How to Obtain Forms. If you are not required to file a tax return, but you are entitled to a property tax credit, file Schedule H (Form D-40) by itself.

How to File a Part-Year Return

If you were a District resident for less than a full calendar or fiscal year, follow instructions 1 through 4 below. If you and/or your spouse lived in the District for less than a full year and for different periods of time, you must file separate Forms D-40.

(1) Complete Part I of Form D-40, page 2 by

- Prorate your personal exemptions and credit for dependents according to the number of months you were a resident of the District. (For the purpose of prorating exemptions and dependents, divide the aggregate number of days you were a resident of the District by 30 in order to determine months. A remainder of over 15 days shall be considered a full month).
- You may itemize your deductions or claim a Zero Bracket Amount prorated according to the number of months you were a resident of the District. (For the purpose of prorating the Zero Bracket Amount, divide the aggregate number of days you were a resident of the District by 30 in order to determine months. A remainder of over 15 days shall be considered a full month). If you itemize deductions, copy your deductions from your Federal Schedule A or District Schedule A (if you are not itemizing deductions on your Federal return) on lines 56 through 61, Part III of Form D-40, page 2. Subtract the deductions paid during the period of nonresidence in the District on line 64, Part III of Form D-40, page 2.
- Do not claim the property tax credit. This credit is allowed only if the claimant lived in the District for the full twelve months of the year.

When and Where to File

File your return as soon as possible after January 1, but not later than April 16, 1984. Mail it to the Department of Finance and Revenue, Ben Franklin Station, P.O. Box 7861, Washington, D.C. 20044-7861.

Extension of Time for Filing

Copies of Federal extension of time requests are no longer accepted.

If you require more time to file your return, an extension of time may be requested by filing Form FR-127 on or before April 16, 1984. Any balance of tax due, as shown on Form FR-127, must be remitted with the request. To request a Form FR-127, see page 3 of instructions on How to Obtain Forms.

Any balance of tax due must be paid with your return. If combined separate filing is elected, the combined net balance due must be paid with your return. Make your check or money order payable to the "D.C. Treasurer." Do not send cash. Write your social security number on your remittance.

Penalties and Interest

Will our

The penalty for failure to file a return on time is 5 percent of the balance due (combined net balance due, if combined separate filing is elected) for each month or fraction thereof that such failure continues, but not more than 25 percent in the aggregate.

Interest at the rate of one and one-fourth percent per month or portion of a month must be paid on any tax which remains unpaid after the due date of the return. Interest is computed from the due date of the return to the date of payment and applies even though an extension of time may have been granted in which to file the return.

Notice of Charge for Dishonored Checks

A penalty of \$15.00 will be imposed if a check in payment of any obligation due the District of Columbia is not honored by your bank.
